DEDICATION

January 21, 1973 was the formal dedication of Swan Valley High School. Now I feel we should dedicate ourselves to the task of developing the finest high school program possible. This monumental task will require the cooperation and participation of many students and parents, as well as school personnel. Your contribution can have a significant impact upon the future of this school. The challenge is before you now. What will you leave behind as your contribution to improving Swan Valley High School?

Emerson once said "Nothing great was ever achieved with out enthusiasm" which certainly describes our English department. Classes range from Myths and Legends to traditional American Literature. The various classes in Mathematics range from Trigonometry to accelerated algebra to everyone's favorite, Geometry. From such a wide variety of classes, students may get a large assortment of knowledge.

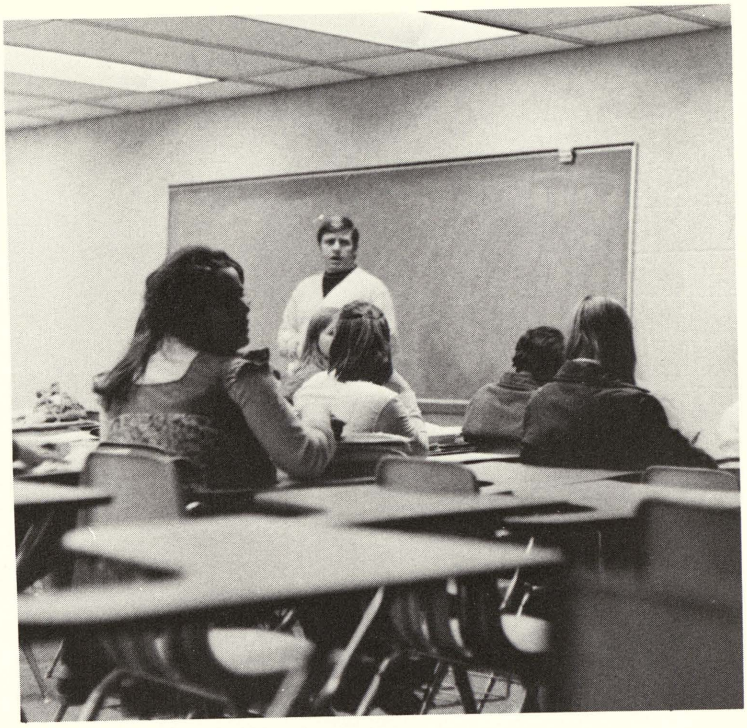
SOCIAL STUDIES



Probably some of the most important classes offered at the senior high are those dealing in Social Studies. There, students learn the importance of the American democracy and how to be better citizens.

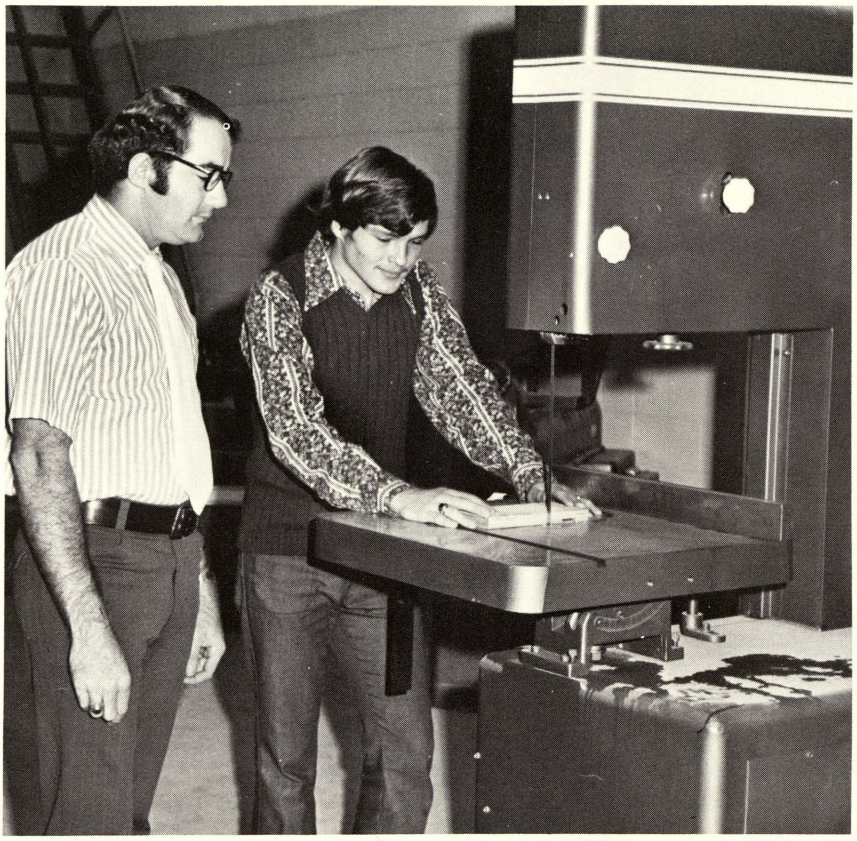
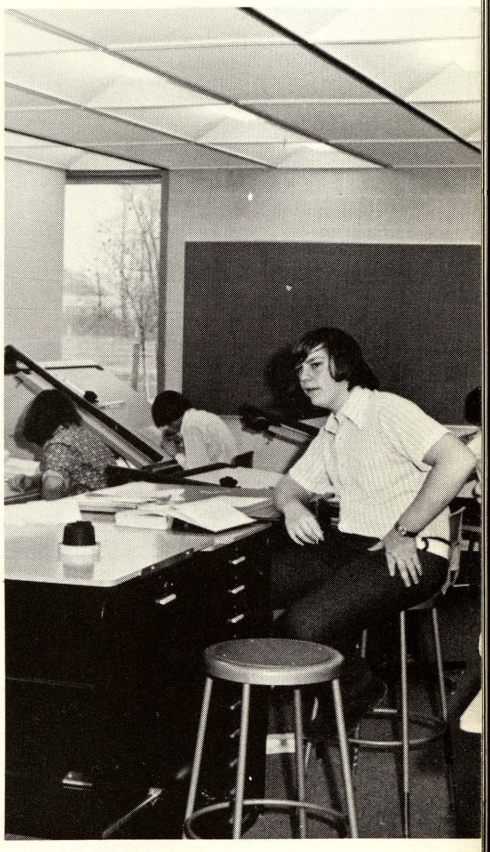
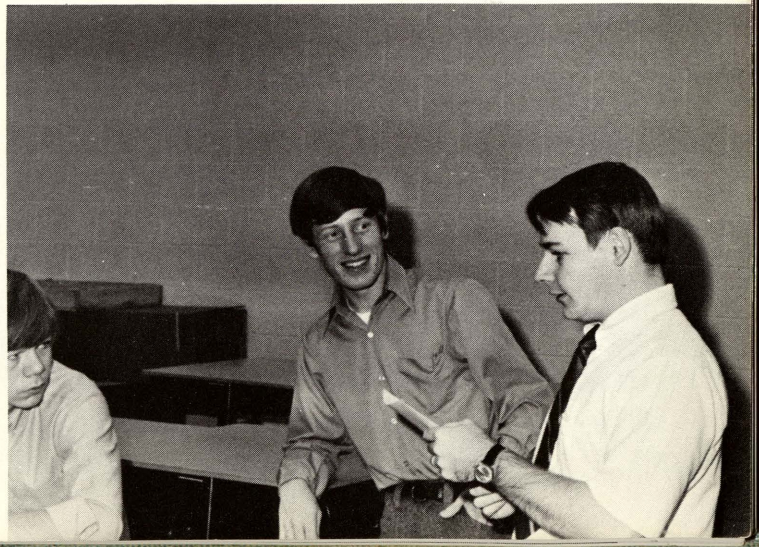
INDUSTRIAL ARTS

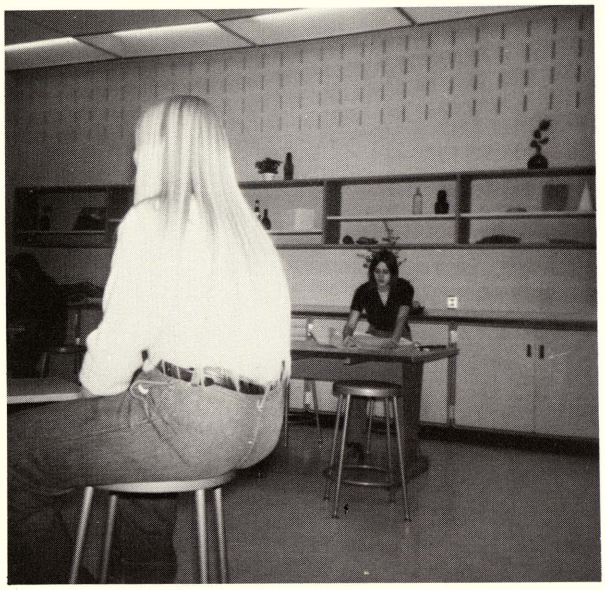


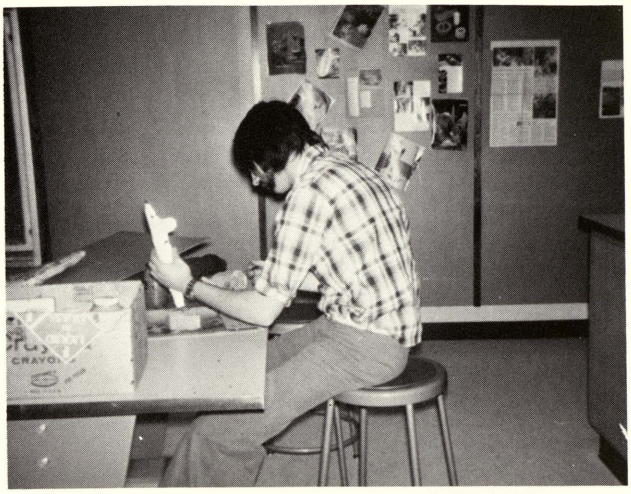


Industrial Art classes range from carpentry, where students learn to work with wood, to Architectural Drawing, which deals in designing houses.



ARTS AND CRAFTS





"All arts are but imitation of nature." Seneca

HOME ECONOMICS

The modern woman assumes more roles than that of cook and seamstress, and in home economics we are trying to keep pace with the 70's. By offering semester courses of specific areas of interest, such as consumer education, child development, home planning, and nutrition, hopefully we will help young people prepare for these various roles.

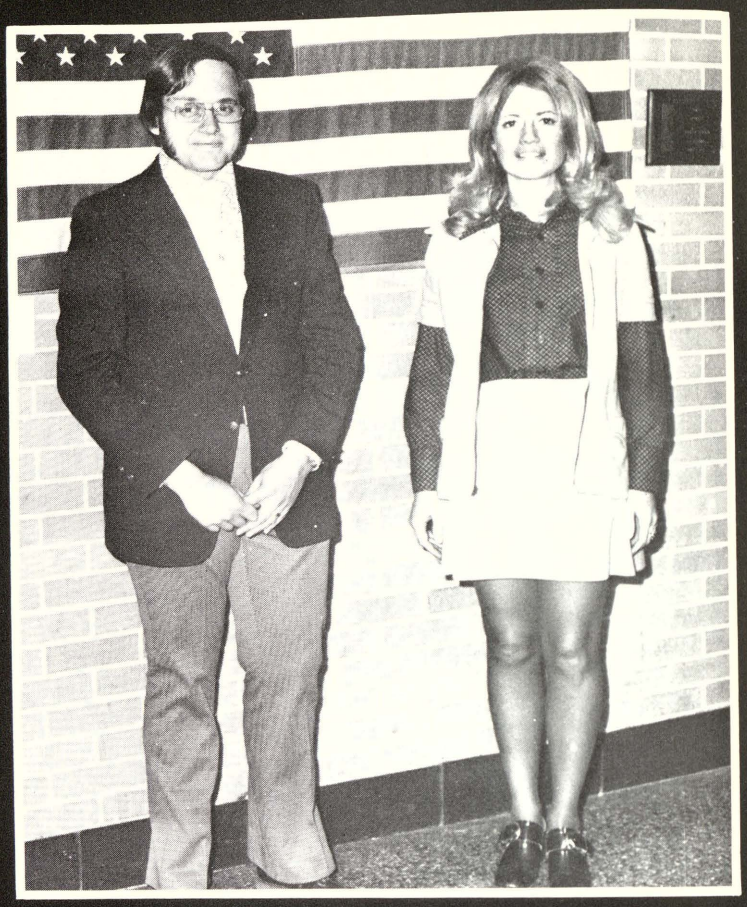
SKI CLUB SAYS: THINK SNOW:



SVHS's young ski club has done very well so far. In the past year, the ski club has went to such places as Bintz's and Boyne Highlands. Plans have been made for more trips to various ski lodges. In spite of an unseasonal year, the ski club has enjoyed many good times skiing.

"The Viking football team completed its first year of varsity competition with a 2 and 7 record. However, we did compete against mostly all senior teams, while we ourselves were starting an equal amount of sophomores and juniors. This year we paid for our inexperience. Next year our competition will pay for it."

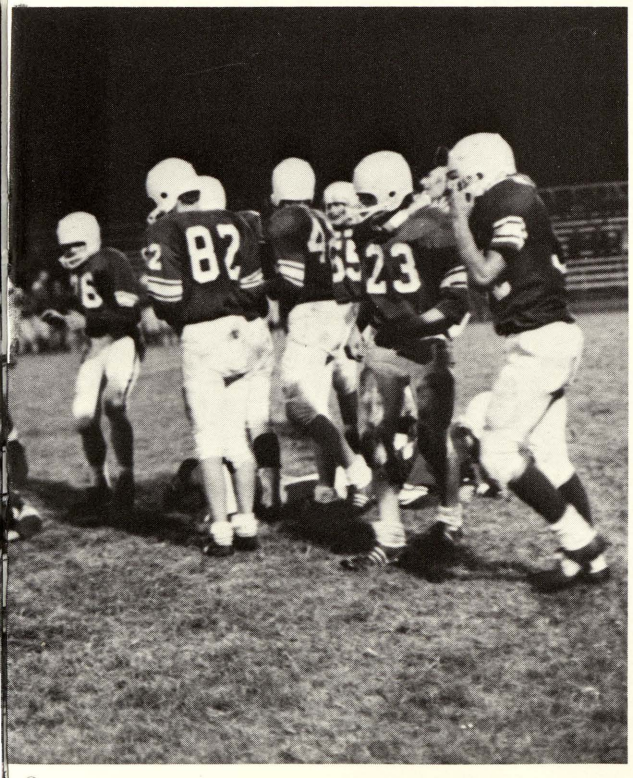
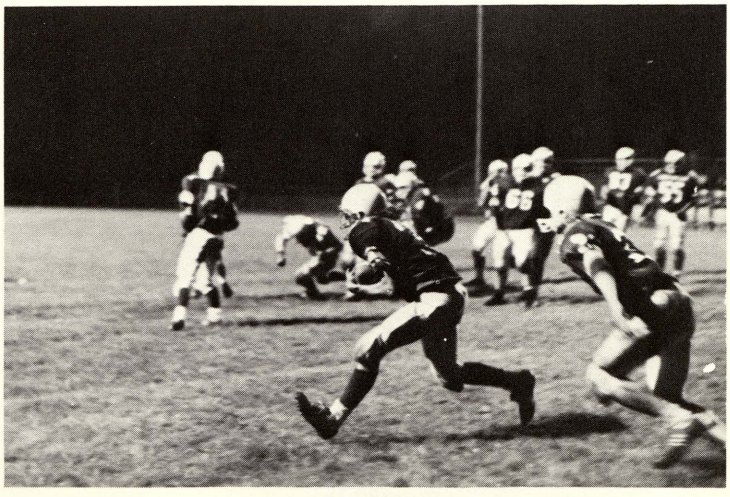
The J.V. Football team finished the season with an excellent 6-1-1 record. The only loss being a heartbreaking 2-0 defeat at the hands of a strong Corunna team. The most outstanding feature of this years team was the all out effort given by every member. These kids had a quality best described as "class".

Mr. Kennelly





VIKING GOLFERS

Golf

This was a very successful year for the Viking Golfers. The season record was 8 victories and 5 losses. This is a fine record considering we were playing only juniors and sophomores against teams who had seniors. It should also be noted that two of the Viking losses were to powerful Class A schools.

The Vikings were led individually by Mark Martin with an average of 44.9 for 9 holes. This establishes a new school record as does his low rounds of the year of 35 for 9 holes and 80 for 18 holes. The second low average golfer was a sophomore Mitch Ellis, who averaged 45.3 to just beat out junior Phil Yockey, who had a 45.8 average. The varsity team was filled out by sophomores Rick Johnson and Steve Schuster who averaged 45.8 and 46.5 respectively. These 5 boys added together gave the team a total team average of 45.5.

The J.V.s only played 3 matches and had a record of 1-2. They lost to McArthur and Eisenhower while defeating Breckenridge. Mark Hicks, Mark Smith, Steve Juhas led the J.V.s in scoring. Other members were Rick Wenzel, Jeff Carrick, Bob Thomas, Northy Rice, Dave Plamp and John Martin. There should be a lot of improvement next year from some of these boys and they are expected to challenge for some of the varsity positions.

ABOVE: ROW 1, Jeff Carrick, Mark Smith, Steve Juhas, Dave Plamp. ROW 2, Northy Rice, Bob Thomas, John Martin, Rick Wenzel, Coach Mike Humphrey. BELOW; Varsity Team, Phil Yockey, Mark Martin, Rick Johnson, Mitch Ellis, Steve Schuster, Coach Mike Humphrey.

CROSS COUNTRY

FRONT ROW: L. TO R.: Steve Gustin, Chuck Lenk, Dan Whaley, Roger Wallaert, Kevin Webster. BACK ROW: Mike White, Cindy Zietz, Sue Whaley, Mark Kistler, Greg Theisen, Jim McDonald, Cathy Rokita, Diane Evon, Coach Ellis Howard.

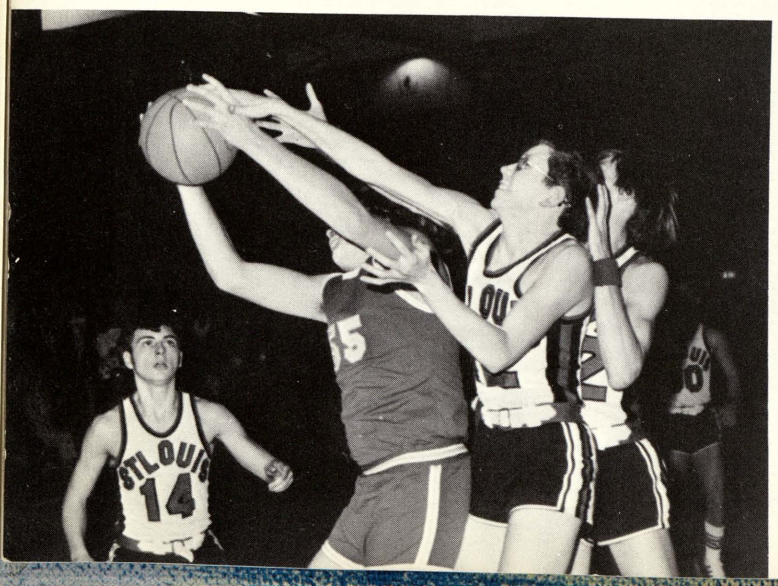
The cross country team was one and seven for the season. The future holds great promise however, in three strong freshman runners: Kevin Webster, Roger Wallaert, and Steve Gustin.

Coach Ellis Howard

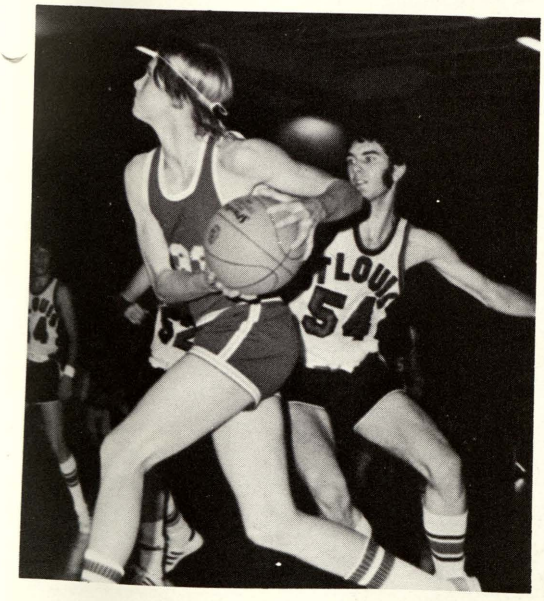
The Swan Valley Cross Country Team, coached by Mr. Howard, had a first for our athletic program. Cindy Zietz, Sue Whaley, Cathy Rokita and Diane Evon were the first girls to participate in junior varsity and varsity competition.

VARSITY

BOTTOM ROW, L TO R: Tim Neal, Gary Dennison, Gordie Guymer, Alan Baxter, Tom Ballien, Gary Emeott. ROW 2: Frank Smith, Mitch Ellis, Tim Schultz, Don Emeott, Greg Theisen, Mr. Debozy. ROW 3: Mike Hoffman, Frank Krupnek, Kevin McMichael, Jan Haarer, Kathy Rokita, JoAnn Emeott.



BASKETBALL TEAM



The first varsity team in the history of Swan Valley High School is made up of 9 juniors and 2 sophomores. As with any young team that plays against more experienced teams we have to expect to take a lot of lumps this year. At the present time we have won 2 games, which is better than most first year schools do in an entire season. The team has talent and they give a 100% effort which is all anybody can ask of them. We are looking forward to next year because all of our players will be back and we will have that one necessary ingredient-experience.

Mr. Debozy

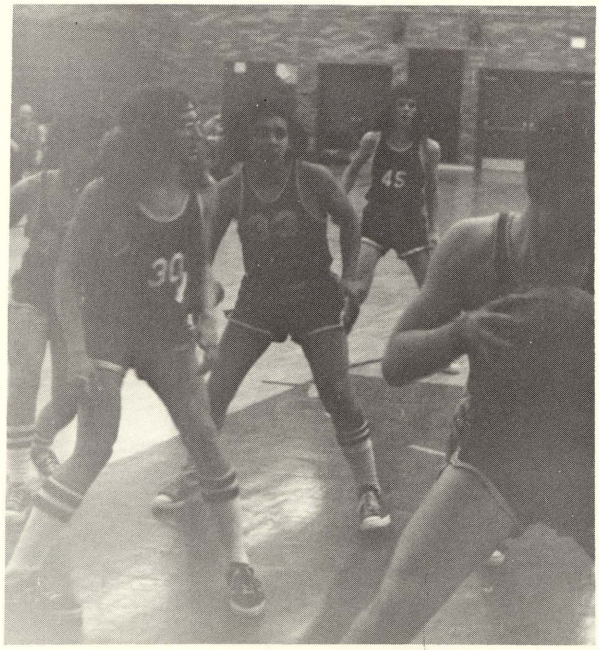
JUNIOR VARSITY BASKETBALL

The Junior Varsity basketball team consists of 14 players, 13 sophomores and 1 freshman. This is the first year of a complete J.V. schedule for the high school. The team played three of the six teams that are in the Mid-Michigan "B" League. The team was successful against these teams and the future of J.V. basketball in the Mid-Michigan "B" League looks very bright.
Coach Ken Tesauro

ROW 1 L. TO R.: Bob Wilde, Dave Zedaker, Mark Smith, Bruce Hoeppner, Mark Colpean, Jeff Bowen, Rick Johnson. ROW 2: Steve Schuster, Mike Haarer, Rich Strunk, Bob Harding, Mark Brush, John Mason, Terry Muter. ROW 3: Coach Ken Tesauro, stats: Jan Haarer, Cathy Rokita, Joanne Emeott, mgr. Frank DeLong.

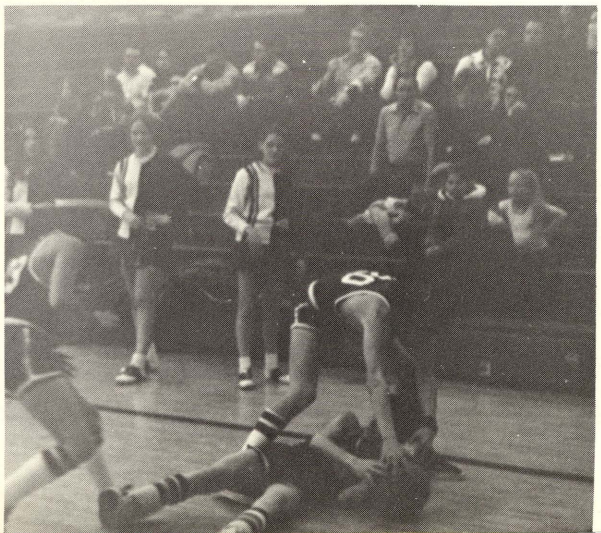
FRESHMAN BASKETBALL

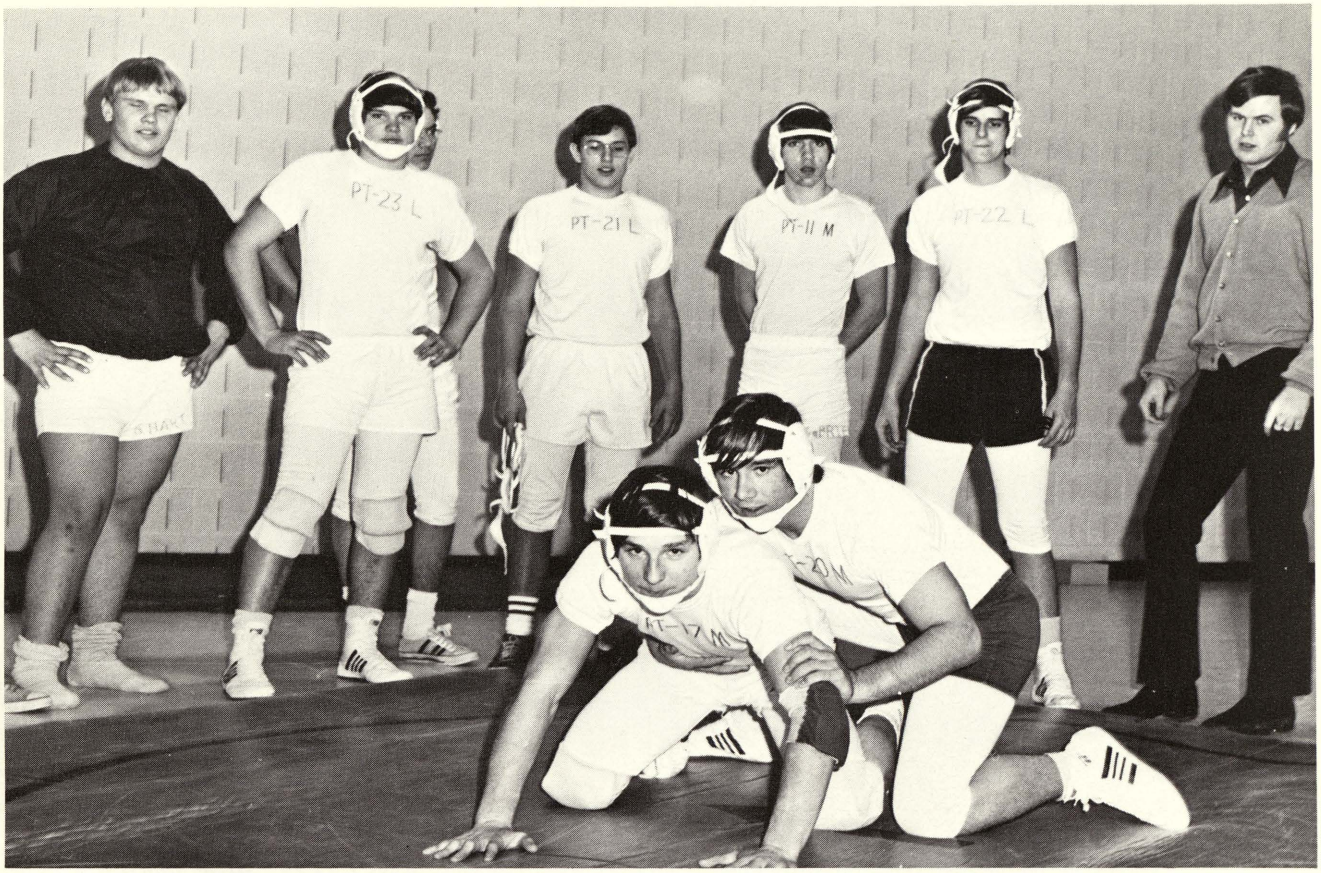
ROW 1 L TO R: Tom Leddy, Jim LaBelle, Jeff Taylor, Bernie Loomans, Dave Brown, Gary Garchow, Mark Kistler. ROW 2: Rick Wenzel, Bob Thomas, Roger Wallaert, Roger Schibelhut, Dennis Theisen, Tim Clement. ROW 3: Randy Prudhomme, Joe Kocks, Stat. Lori Armstrong, Coach Ellis Howard, Stat. Cheryl Tovey, Bob Schrems, Steve Carrick.



The 9th grade "A" team record was 6 and 9 for the regular season. Standouts Joe Kocks, Roger Schibelhut, and Roger Wallaert should provide the nucleus for a fine JV squad next year.

Rick Wenzel led the "B" team to a 4 and 6 season.





LOWER RIGHT, ROW 1-Tom Coombs, Dave Harden, Jim Flattery, Chuck Lenk, Brian Duwe, Jack Yancer, Dave Plamp, Gary Frank, Steve Juhas, Tim Schrems. ROW 2-Coach Tom Kenneley, Amos Hepinstall, Terry Hanson, Terry Stack, Jeff Brown, Jeff Wilson, Bernie Hart, Mark Benkert, Charles Bofferding, Fred Fitch, Dave Gabriel.

This was the first year for wrestling at Swan Valley. It was a year of gaining experience. Wrestling is the most grueling and competitive of all high school athletics. The men who compete in this sport are very special types of individuals. They take hours and hours of hard practice and physical punishment for one 6 minute match each week.

After gaining experience this year and having everyone returning for next season, we should do well in the Mid-Michigan B.

Last year's track team had an apprentice year. The team made up of freshmen and sophomores, competed against varsity teams, consequently losing all their meets. Their schedule was very short and no records were set. We did however, gain needed experience, to have a better team this year. They were very hard working and dedicated, and are looking forward to a better season this year. Chuck Koons

ADMINISTRATION

The Junior High School

The junior high school came into existence about sixty years ago. The functions and purposes of the junior high school have changed very little over the years, however, the methods of performing these functions and achieving the purposes have changed. Stated as briefly as possible, the basic principles on which the school was founded were: (1) to help children to go from elementary school through junior high school and into the senior high school with as little difficulty as possible, (2) to give teen-agers a chance to find out through brief experiences what some of the high school courses were like, (3) to help pupils choose from among elective subjects offered in the junior and later in the senior high school, and, (4) to provide social and athletic experiences and giving the students a chance to participate in the decision-making processes in the school.

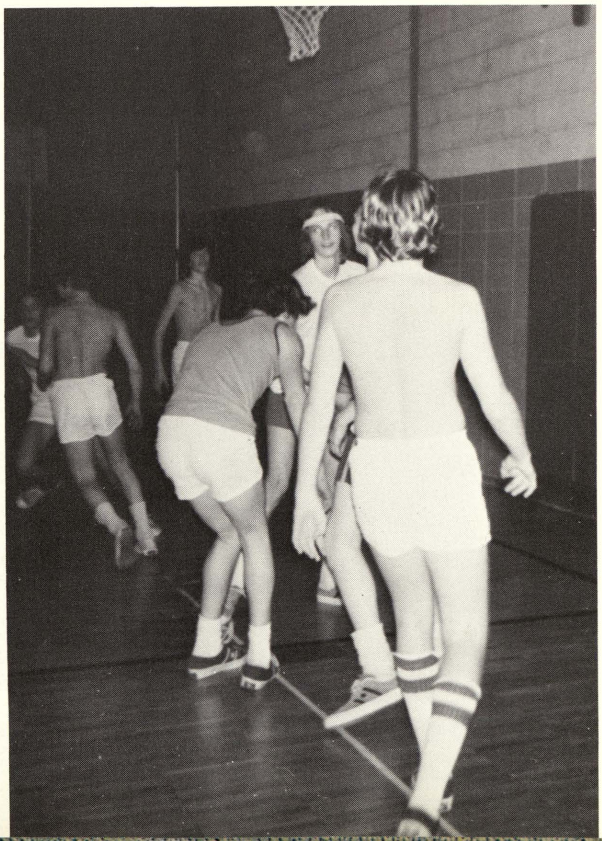
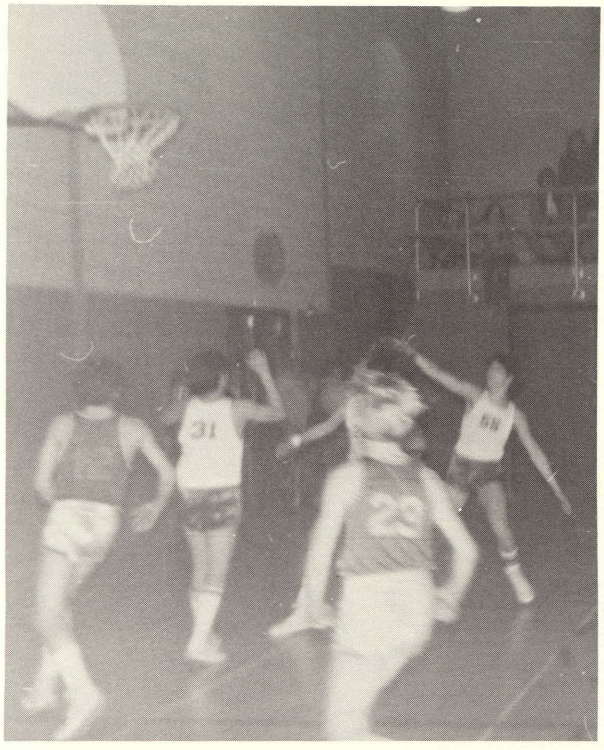
This year's 8th grade team did not have the best record but showed they were capable of playing with the best of them by beating some of the better teams in the league. They were filled with spirit and pride which helped make up for their lack of size. They also had to use their speed and quickness to overcome some of their other weaknesses.

Coach Pete Emerson



BASKETBALL



This year's 7th grade basketball team was blessed with good speed, height, and jumping ability. A few key injuries and some sickness kept us from having what could be considered an outstanding year, but with these same boys back next year we hope to have the year we can all be proud of, a championship for S.J.H.S.

Our "A" team consisted of starting center Larry Spear, his back-up Tom Soblesky; our starting guards Ron Moulton and Dan Frawley, their backups Kelly Arney and Jeff Milbrandt; our starting forwards Matt Hurd and Gary White, and their back-ups Paul Diment and Pat Lynch.

Our "B" team consisted of John Main, Dennis Emeott, Randy Rossow, Randy Scheib, Pete Briguglio, Tim Flattery, Steve Zeitz, Brian Gustin, Steve Evon, and Skip Hillert.

We had two excellent managers who worked hard all season with the team. They were Brett Wyatt and Jeff Rossi.

Working also with the team was Coach Trombley, who devoted much after hour time and contributed greatly. Our thanks to him.
